

# 21<sup>st</sup> Century Community Learning Centers Program

21<sup>st</sup> CCLC Reviewer Scoring Report – Cohort 10

<b>Applicant Name:</b>	<b>Lighthouse Academies Indiana, Inc. (DBA as Victory College Prep)</b>
<b>Proposal Ranking:</b>	51
<b>Average Score</b>	91.2 / 125

## Proposal Strengths:

- Victory College Prep presented a solid proposal for College and Career Readiness.
- 100% of students qualify for Free and Reduced Lunch.
- I like the integration with school - specifically the integration with the RTI process. I like providing no-cost mental health services. I also like the practical nature of your career and college readiness programming.

## Proposal Weaknesses:

- Several sections of the proposals presented only partial/limited information thus resulting in a reduction of points
- Didn't address all of the required items in the Program Design space, which then created challenges in other parts of the application that depended on that. It is not clear how the continuation of the current program is an expansion or enhancement.
- The application is missing several key components; in some areas it appears that the entire section is presented without delineation of the various specific requirements. I would highly recommend structuring your application to make specific reference to each and every requirement. I'm concerned about the budget as it relates to staff-to-child ratio.

## Top Areas Where Points Were Lost:

- Program Design
- MOU's
- Professional Development
- Need for Project
